Product List

Particle Measuring Systems

- ◆ Particle counters for facility monitoring and testing
- ◆ Clean room particle counters, monitors and aerosol spectrometers
- ◆ DI water and chemical particle counters and monitors
- ◆ High pressure gas counters for hydrogen, oxygen, nitrogen and argon
- ◆ Vacuum sensors for nonintrusive, in-situ monitoring

American Air Filter

- ◆ HEPA and ULPA filters for clean room systems
- ◆ Ceiling grid systems
- ◆ Laminar flow 2 x 4 modules

Sievers Instruments

- ◆ TOC analyzers for high purity water
- ◆ TOC analyzers for reclaim or raw water

Simplex Strip Doors

- ◆ Clean room vinyl strip doors and enclosures

Norcore Plastics

- ◆ High purity teflon- and FRP-lined tanks
- ◆ FRP tanks and dual laminate piping
- ◆ Pollution control equipment

George Fischer

- ◆ Engineering & specification support
- ◆ High purity PVDF welding and installer certification
